## Conditions

### Average Clause

If at the time of loss or damage The Property Insured is collectively of a greater value than the total sum insured then you shall be considered as being your own insurer for the difference and bear a rateable share of the loss accordingly.

#### Example

Sum Insured	\$ 10,000
Claim	\$ 1,000
Value of Property	\$ 20,000

The claim is calculated as follows:

$$\frac{\$10,000}{\$20,000} \times \frac{\$1,000}{1} = \$500 \text{ amount claimable before excess}$$

### Avoidance of Delay

It is a condition of this insurance that you shall act with reasonable despatch in all circumstances within your control.

### Constructive Total Loss

No claim for constructive total loss shall be recoverable unless The Property Insured is reasonably abandoned either on account of its actual loss appearing to be unavoidable or because the cost of recovering, reconditioning and forwarding The Property Insured to the destination named in the policy would exceed its value on arrival.

### Pair and Set Clause

In the event of loss and/or damage to any article or articles forming part of a pair or set the Company will not be liable for more than the value of any particular part or parts which may be lost or damaged, without reference to any special value which such article or articles may have as a part of such pair or set, and in no case be liable for more than a proportionate part of the insured value of such pair or set.

**NOTE Upon the payment of an additional premium prior to transit, this condition can be deleted.**
